### COVID-19 VACCINATION WILL KEEP YOU FROM GETTING COVID-19.

- All COVID-19 vaccines currently available in the U.S. have been shown to be highly effective (94-95%) at preventing COVID-19
- None of the COVID-19 vaccines contain the live virus that causes COVID-19, so a COVID-19 vaccine cannot make you sick with COVID-19.
- Wearing a mask and social distancing helps reduce your chance of being exposed to the virus or spreading it to others, but these measures are not enough. Vaccines will work with our immune system so it will be ready to fight the virus if you are exposed
- Stopping a pandemic requires using all the tools we have available.

# Coming in tomorrow's BRANDON VALLEY Journal

This week's "Blazing a Trail" series continues its report on the legalization of medical and recreational marijuana, giving you the perspective of local law enforcement.

With a new elementary school on the horizon for Brandon's eastside, discussions are now taking place on annexation of this area into the city limits. The *Journal* brings you some key details of the possible action.

Also, Brandon's Park Advisory Committee tackled a loaded agenda last week. The *Journal* took in the meeting to give you all the details of some exciting forthcoming recreational opportunities and a new event coming to the city.

For the third straight year, Brandon Valley Middle School band students will be well-represented in this year's All-State Band, plus one student-musician is going above and beyond.

We've also got reports from the Minnehaha County Commission's Jan. 19 meeting and Monday night's school board meeting.

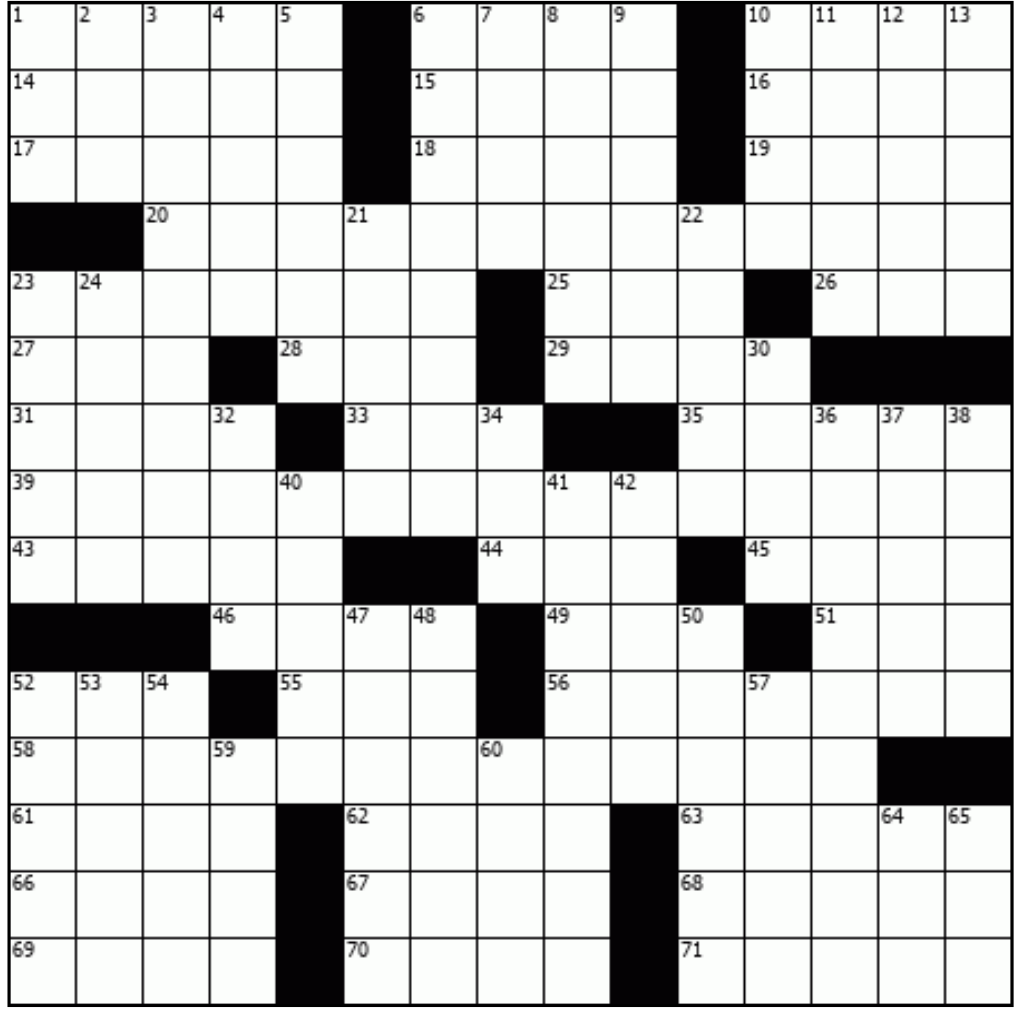

Plus, the Lady Lynx registered a trio of victories last week, which included the dismantling of previously-undefeated Harrisburg, and dominating victories against Brookings and Sioux Falls Lincoln. The No. 1-ranked Lynx wrestlers racked up five more dual victories and the BV boys' hoops team got back on the winning side with a road win at Brookings.

All this and a whole lot more can be found on the pages of this week's *Brandon Valley Journal*!

If you're a subscriber, thanks for reading! If you're not, what are you waiting for? To subscribe, call us today at 582-9999 so you can be in the know of everything that's "Coming in Tomorrow's *Brandon Valley Journal*!"
