Brandon Area Briefs

Current lawn watering restrictions

The city of Brandon is in stage 1 (green) of lawn watering restrictions. The even/odd schedules allow users with even-numbered addresses to water on even-number calendar dates; users with odd-numbered address are allowed to water on odd-numbered calendar dates.

Water restriction stages and other updates are posted on the city website and Facebook pages.

Current needs at the Brandon Food Pantry

Current needs at the Brandon Food Pantry are egg noodles, Spam, Dinty Moore Beef Stew, pancake syrup and mix, mustard, ketchup, Suddenly Salads, Rice-a-Roni mixes, bottled juices.

To make appointments for pickups or donations, call 582-7001. The BAFP is open from 4-6 p.m. Tuesdays and Thursdays.

BAFP executive director Linda Weber asks groups that conduct food drives to contact the Pantry prior to dropping off donations.

Used eye glasses and hearing aids for the Brandon Lions Club may also be dropped off at the BAFP.

BLC summer lunch distribution

Free summer lunches for kids 18 and under are distributed every Tuesday and Wednesday. Lunches will be distributed Tuesdays from 7-7:30 p.m. at Brandon Lutheran Church, 600 E. Holly Blvd., and again on Wednesdays from 11:15 a.m.-noon at Brandon Lutheran Church as well as a second location at Locust and Parkview Boulevard (1825 Parkview Blvd.).

To learn more, call Brandon Lutheran Church at (605) 582-3401 or visit the church Facebook page.

Sunday in the Vineyard July 2

Wilde Prairie Winery will host Sunday in the Vineyard from 2-5 p.m. Sunday, July 2. The event will offer live music by Billy Kurken, wine

and wine slushies, beer and snacks. No outside alcohol will be allowed. For seating, bring lawn chairs or blankets. Pets are welcome, but must be on a leash.

Valley Springs Pet Clinic is July 12

The annual Pet Clinic is set for 5:30-7:30 p.m. Wednesday, July 12 at the Valley Springs Maintenance Building, 308 Broadway Ave.

Rabies and other shots will be available, along with city pet licenses.

Rock Veterinary Clinic will administer the shots.

City ordinance requires that every dog, cat and other domestic animals be immunized against rabies as well as registered with licensed annually to ensure health and safety for all.

Valley Springs branch/leaf site open Tuesdays, Saturdays

Beginning the last half of April (weather permitting), Valley Springs residents may bring leaves, grass clippings and branches to the city brush site from 4-7 p.m. Tuesdays and 10 a.m.-1 p.m. Saturdays. The site is monitored and is available to city residents only. Proof of address is required.

Users are asked to place leaves and grass in the designated area (no bags) and tree limbs and branches should be placed on the brush pile. No trash or concrete is allowed by dumped at the site.

Valley Springs Library offers craft, activity bags

The Valley Springs Library has craft and activity bags available twice a month to pick up and bring home.

The public computer is available for use during open hours of City Hall and the Library. Library Hours are 3-6 p.m. Tuesdays and Thursdays.

Al-Anon meetings in Brandon

Al-Anon meets from 7:30-8:30 p.m. every Tuesday at Brandon Lutheran Church, 600 E. Holly Blvd.

CORRECTION
Last week's Fireworkz Store ad dates were incorrect. The correct dates are **Tuesday, June 27th-Wednesday, July 5th.** We apologize for any inconvenience this may have caused.

Ask the Motor Medics®
Automotive Advice from The Under the Hood® Show

Dear Motor Medics,

I have a 2013 Toyota SUV I am going to drive across country and back and will accumulate about 8000 miles on the odometer by the time I return. This vehicle has 45k miles on it and has not had any problems as of yet and no repairs other than tires and oil changes. Is there anything that I should do before I make the trip to be sure I am as safe as possible?

Tracy in Hastings Nebraska

Dear Tracy,

Anytime you are going on an extended trip it is good to have your vehicle at its best. Many folks have disappointing trips because they failed to have a simple check done and they experience a preventable breakdown. When a vehicle is brought in for oil changes on a regular basis to your local mechanic they usually inspect for basic things like tire wear and pressure and anything out of the ordinary that could cause a failure like worn belts and hoses but not always. When preparing for a trip make sure to ask your mechanic specifically about a general check-over and tell them how far you will be traveling so they can look for things that may affect your journey. Failed tires, belts, hoses and batteries are the most common items that leave motorists stranded so be sure these are among the list of items checked before you go. Have a safe and fun trip and enjoy the ride Tracy.

Take care, the Motor Medics

Dear Motor Medics,

I am thinking about purchasing a new Jeep Grand Cherokee with the Diesel Engine but don't know much about it. I have heard you talk about them on your radio show Under The Hood and have not heard any negatives about them from your callers. I plan to drive about 40k miles a year and haul trailers in the 4500lb range about 30k of that as I haul a display for my company to trade shows. I want the comfort of a car and good mileage but also the load hauling capability. What are your thoughts?

Mike in Portland Maine

Dear Mike,

There's a number of new smaller Diesel Engines on the market that can be found in half-ton trucks and smaller SUVs meant to give better mileage when towing smaller loads where a larger more powerful diesel was not needed; these new diesels are also very clean compared to the older larger ones which is good for the environment. You have a couple of key things in your question that are important factors on a vehicle for you. First, you say you will be towing a lot of miles which justifies more power and the added cost of the diesel option. Second for better fuel mileage the use of Diesels for towing long-haul should help with your economy. You ultimately have to decide when it comes to a purchase so always research and see what others are saying before you decide.

Take care, the Motor Medics

Coming in tomorrow's

BRANDON VALLEY
Journal

The High Bank Nationals are in the books, and four nights of racing brought plenty of activity and visitors to Brandon. We've got results from racing action, a feature on

camping at the raceway and photos from Fan Fest, which kicked it all off. Automania also took over Broadway Avenue in Valley Springs on Saturday and *Journal* writer Tom A.

Savage was there to take it all in in photos and words.

The Brandon City Council gave their stamp of approval to their CIP list for 2024. *Journal* editor Jill Meier brings you a detailed report of how the city sales tax dollars will be spent.

As always, we've got recaps from the baseball diamonds on both Post 131 Legion and Valley Rats amateur baseball teams.

This week, the *Journal* also brings you an assortment of features in our annual "Women Mean Business" special section. Find out more about the amazing ladies and the lives they're living.

And there's a whole lot more news, sports and features. So, if you find yourself asking, "I wonder what's going on ...?" It's time to subscribe to the *Brandon Valley Journal*! Give us a call at (605) 582-9999 to subscribe today so you, too, can be in the know.

KEEP OUR STREAMS CLEAN

HOW CAN PROPERTY OWNERS HELP?

Drainageways and Public Easements

Drainageways are constructed in order to afford flood protection for property owners. Keeping it free of obstructions and rubbish is a necessity.

These drainageways are located on City-owned property or on private property inside a public drainage easement. Property owners should not plant shrubbery or trees, landscaping, or permanent structures within the easement.

Litter

The City of Brandon attempts to keep all of the City-owned channels clean of debris and trash and needs your help in accomplishing this task.

Discarding litter and debris in these open channels not only reduces the carrying capacity of the channel, it increases the amount of pollutants such as nitrogen and phosphate in the runoff. Concentrations of these particular substances are harmful to aquatic life.

Yard Waste

Dumping yard waste material into the channel may be convenient, but it is also considered littering.

City personnel perform maintenance operations throughout the year. Please remove waste and debris so that maintenance operations may proceed on schedule.

In order to be good neighbors, we hope that individuals consider the environmental impacts of their decisions.

HOW CAN I HELP?

- When out walking, please pick up trash and clean up after your pet.
- Watch the City's Facebook page for events like the "Adopt-A-Highway" litter clean up that takes place in the spring and the fall.
- Every Earth Day the City teams up with Friends of the Big Sioux to clean up the Splitrock Creek at McHardy Park.
- Make sure all trash is bagged before throwing into your trash can.

Cleaning up your favorite stream can be hard work, but you'll be helping the fish and other animals that live there, as well as making it a nicer place for humans to visit.

"The City of Brandon will create an environment for its citizens to build a better life by using resources wisely, managing growth and providing quality services in a safe and professional manner."
