Brandon Area Briefs

Register online for Brandon Citywide Fall Rummages

Registrations are now being accepted for the 12th annual Brandon Citywide Fall Rummages, which are Friday, Aug. 27 and Saturday, Aug. 28. To register your sale, visit brandonrummages.com. The list of sales will be available online on Aug. 23.

Brandon Transit available to all

Brandon Transit is a public transportation service – anyone can ride. Transportation services are provided from approximately 7:45 a.m. until approximately 3:30 p.m. Brandon Transit provides transportation to doctors, dentists, therapy, clinics, hospitals, nursing homes, assisted living centers, nutrition sites, governmental offices, day care, pre-school, employment, shopping areas, and grocery stores. The fare price is \$2 per ride or \$4 round trip.

To schedule a ride, contact the Brandon Transit dispatcher

at least one day in advance by calling 582-3553 between 7:30 -1:30 a.m. Monday thru Friday.

Lawn watering alert

Brandon is currently under stage 1 lawn watering guidelines, which allows users with even-numbered addresses to water lawns on even-numbered calendar dates and users with odd-numbered addresses to water on odd-numbered calendar dates. No watering is allowed between the hours of 10 a.m. and 6 p.m.

However, high water usage during the recent string of

high temperatures, prompted a warning, asking residents to conserve water by limiting watering to one per week.

August needs at the BAFP

August needs at the Brandon Area Food Pantry are bottled juice, canned fruit, saltine crackers, breakfast bars, instant oatmeal, fruit snacks, beef stew, pancake mix, syrup, Manwich, Kleenex, body wash, dog and cat food.

Due to recent large-scale donations, the BAFP has no need for canned vegetables (i.e., peas, corn, carrots, all varieties of beans) and soups, both cream and other varieties.

In respect to COVID-19, Pantry clients will receive items that have been pre-bagged by BAFP volunteers.

To make appointments for either pickups or donations, call 582-7001. The BAFP is open from 4-6 p.m. Tuesdays and Thursdays.

BAFP executive director Linda Weber asks groups staging a food drive to contact the Pantry prior to dropping off donations.

Used eye glasses and hearing aids for the Brandon Lions

Club may also be dropped off at the BAFP.

Circuit group fitness open house

Circuit will host a group fitness open house at 8 a.m. Saturday, Sept. 11. Saturday classes starting after Labor Day are also free to the public.

To learn more, email info@circuitSD.com or visit circuitSD.com.

'In the Bag' Cornhole Tourney set for Sept. 11

Brandon Valley Hockey Association is staging their second annual "In the Bag" Cornhole Tournament (two-person teams), beginning at 10 a.m. Saturday, Sept. 11 at Bottoms Up in Corson. Cost is \$35 per person. Cash prizes for first and second places will be paid out.

To learn more, go to the BVHA's Facebook page.

- Official Rules**
- The contest is open to anyone except employees the Brandon Valley Trader/Journal and their immediate families.
 - A \$20 certificate will be given to the contestant picking the most games correct each week and a \$5 certificate to the runner up. In case of a tie, the contestant closest to the total points scored for the tie-breaker game (Game #14) will be declared the winner.
 - A \$50 certificate will be paid to one winner with all the correct picks. In case of a tie, the tie-breaker will determine the winner by the flip of a coin.
 - Decisions of the judges will be final and all entries become the property of the Brandon Valley Trader/Journal.
 - All entrants must use the official blank listed on this page. Your winning selections must coordinate with the game number located in each advertisement. Just circle the winning team, drop it off at our office by 5pm on Fridays or have your entry postmarked by Friday of the same week of the ad.
 - The 11-week contest is from Aug. 24 thru Nov. 2, 2021.
 - Any questions? Please call (605)582-9999

Ask the Motor Medics®

Automotive Advice from The Under the Hood® Show

Dear Motor Medics,
I have a general question about air bag safety. I heard you talking on a recent episode of Under The Hood about the testing of air bags and how they were tested differently in America and Overseas markets. The difference was in America they are tested with the use of a seat belt and Overseas sometimes without. I have never had an airbag deploy in my vehicle and I don't look forward to ever having it occur, but I want to know what to expect if it does and what I can do to prevent injury. Personally, I would rather not have airbags in my cars, but it doesn't look like they are going away. What is your take on people who ride with their feet on the dash or a pet in their laps?

Mike in Sweetwater Texas

Dear Mike,

Air bags are great inventions that have saved many lives but if misused can cause severe injury. Every car made has a guide for proper air bag use printed in the owner's manual and it needs to be followed. Proper distance between you and the airbag is crucial as well as seat belt use. Follow the guidelines in the manual and never place anything between you and the airbag. Anything placed in this zone will become a projectile, including a pet and is extremely dangerous. As for feet on the dash, an inflating air bag can cause irreparable damage to them.

Take care, The Motor Medics

Dear Motor Medics,

My car has been overheating and the shop I have been going to can't seem to find the cause. It only seems to overheat when I drive it and I can't seem to find a pattern with it that I can use to have the shop duplicate the problem. On occasion I will find the heater stops blowing hot air and at the same time the temp gauge increases into the red zone. If I pull over and let the engine idle for a while it will cool down and the heat will come back. It has also done this at idle before. They want to replace head gaskets, but they aren't sure if they are bad. Is there anything I can do to find out for sure before we tear it apart and possibly don't find anything wrong with it?

Jeff in Branson Missouri

Dear Jeff,

You never want to guess with head gaskets as they are very expensive to replace but what you are describing is a failure symptom. When coolant flow is disrupted by a head gasket leak, it is the presence of exhaust gasses in the coolant that is the cause. A simple test can be done to check for these gases and if any traces are found you know there is an issue with a gasket or something more severe. Once gases are detected a tear down is necessary to determine the exact cause, gasket, block, head, etc.

Take care, The Motor Medics

Coming in tomorrow's

BRANDON VALLEY Journal

Hills, Minn., native Trenton Bass and friends delivered a powerful message at Friday's 2021 BV Prayer Breakfast. Friday's crowd was the largest in the event's history and they learned how faith helped Trenton, his family and friends through a life-altering football accident nearly four years ago.

Cherry Rock Farms is planning one spicy event for Sept. 11. Learn more about their first ever homemade salsa contest that will benefit the Brandon Area Food Pantry.

The Lynx athletic teams are already in action, and this week's Journal brings you recaps from the softball diamond, the tennis courts, the golf course and the soccer fields. The Journal also has photos from Friday night's annual Marching and Melon Madness, where the Marching Lynx previewed the bulk of their fall field show, "Live By the Sword" to the hometown crowd.

Both the Brandon Valley Board of Education and the Brandon City Council met Monday night, and the Journal brings you the details from their respective meeting rooms.

Plus, we begin introducing you to the new educators joining the staff of the Brandon Valley School District.

If you're a subscriber, thanks for reading! If you're not, what are you waiting for? Give us a call at 582-9999 so you can be in the know of everything that's "Coming in Tomorrow's Brandon Valley Journal"!
