

Fight F.O.G.

Keep Fats, Oils & Grease out of your drain to keep things moving!

Fats, Oils and Grease (FOG) that go down the drains can cause clogs in your household pipes as well as in the sanitary sewers.

- Do NOT pour any cooking oils or grease into your kitchen sink or other drain lines.
- Pour all used cooking oils and grease into a small container so it can cool and harden.
- When the container is full, cap the container or cover tightly, place in a bag to prevent leakage and put in garbage container.
- Dry wipe all pots, pans and plates before washing in sink or dishwasher. Use paper towels and wipe grease and food contents into a garbage container.
- If you have a kitchen sink garbage grinder, use this as a little as possible since food particles and grease from the grinded material will still clog your pipes and affect the downstream sewer system.

MYTH

Running hot water down the drain will prevent the pipe from clogging up.

The ground surrounding the pipes keeps it cool, allowing the fat to cling to the walls of the pipe. These blockages can cause sewage to back up into your home or neighbor's home causing health hazards to the inhabitants

Coming in tomorrow's

BRANDON VALLEY Journal

Brandon Valley's Chamber of Commerce is soliciting for volunteers to take part in this year's Rake the Town event on Nov. 6. Check out the story and learn how you can sign on to the goodwill endeavor.

A Brandon city employee has been recognized for his work by the South Dakota Municipal League. Find out which member of our city staff is performing award-winning work.

We'll bring you a report from the public open house regarding next year's Rushmore area reconstruction project, a preview of the Chamber-BV Journal--hosted District 10 and 25 candidate forums, and the latest from the school board and city council meetings.

The Lady Lynx soccer team won their first-round playoff game in a big way, which advanced them to round two. Check out this week's Journal to see how the BV girls – the 2020 Metro Conference champs – fared in their quest to reach the state finals. And as always, we'll bring you recaps from all of the Lynx sports programs, including the football team's road trip to Howard Wood Field, where BV took on the Washington Warriors, the cheer and dance team's home invite, both the state girls' tennis and state boys' golf tournaments. You can also read about BV's cross country teams' results from their run at their respective ESD Conference titles and how the volleyball team kept their undefeated ESD record in check.

All this and a whole lot more can be found on the pages of this week's Brandon Valley Journal!

If you're a subscriber, thanks for reading! If you're not, what are you waiting for? To subscribe, call us today at 582-9999 so you can be in the know of everything that's "Coming in Tomorrow's Brandon Valley Journal"!
